There are five heat races. Each race has a separate set of winners who are entered into the grand prize race. Donate prizes to help us raise funds for WE-GO Works. Your sponsorship will be promoted on pre-race publications, our website and on race day. It is a nice way to advertise your product or services to the West Chester region, since WE-GO club members visit hundreds of locations around Chester County selling ducks.

List the prizes, gift certificates and services you wish to donate.
