The Newsletter of the Westtown-Goshen Rotary Club

January 13, 2010

News From Recent Board Meeting – President Jeff met the Board members at McDonald's on Friday, January 8. The West Chester Senior Center was closed for the day so McDonald's became the best choice in terms of location. President Jeff updated the Board on a second Presidential project. This is in addition to the Born Learning Trail from the United Way which Jeff mentioned to the Club previously. This second project is called **Traveling Mercies**, an organization that helps displaced persons around the world.

At the meeting venues were discussed for the upcoming Poker Night, and we came to the conclusion that a fire hall may be the best idea. Harshad will investigate. The Club will have a social non-meeting at the Landmark Grill in February, date to be determined.

Prez Jeff will be asking for nominations for the 2010-2011 Board at the next several meetings. Elections will follow soon after.

Seth is meeting with a sign-maker for two purposes: 1) to choose material for our lawn signs and 2) to possibly fabricate a large Rotary sign with our meeting time and website for in front of the Holiday Inn, maybe in concert with the Sunrise Club.

A Reminder: Club Dues Are Due – Those members who pay their Club dues on a semi-annual basis have a January due date. Please send your payment to Treasurer Bob Thomas by January 31.

Speakers for January 14 and January 21 – On the 14th our speaker will be Pat Parris from the Pennsylvania Leadership School. This our Interact Program, and Pat will be giving us an update. On January 21st our speaker will be Alyssa Conaway representing Aid to South Africa. This is a cause our Foundation supports. She will give us an update on progress.

Travis Has Found Employment – We-Go is extremely happy that Travis Olszewski has found a position with Equinox Fund Management in Yardley, Bucks County.

Program Last Thursday – Travis and Seth Birch conducted a meeting stressing our need to attract new members to We-Go. They suggested a goal of ten new members in the next twelve months. It was suggested that our current members seek out neighbors, friends and acquaintances and invite them to consider membership in Rotary International. It is essential that new members share in our desire to assist in community projects and promote world understanding and peace. Travis and Seth are dedicated to improving our Club so that We-Go can make a difference in our small place in the world. Search your minds for good potential new members for Rotary!

Vocational Scholarship Announcement – Ann Trevisan has called her committee together to search for candidates for this year's vocational scholarship award. High schools in the West Chester area will be notified in the near future.

A Bit of Humor (from Bob Thomas)

A reporter interviewing a 104-year-old woman: “And what do you think about being 104?”, the reporter asked. She simply replied, “No peer pressure.”

The nice thing about being senile is you can hide your own Easter eggs.

Can't remember if I'm 89 or 98. I've lost all my friends. But, thank, God, I still have my driver's license.

I feel like my body has gotten totally out of shape. So I got my doctor's permission to join a fitness club and start exercising. I decided to take an aerobics class fro seniors. I bent, twisted, gyrated, jumped up and down, and perspired for an hour... But, by the time I got my leotards on. The class was over.
