**We-Go Meets This Thursday Evening** – The second half of President Jeff’s Rotary Year begins this Thursday evening. Let us give Pres Jeff a rousing Rotary cheer! The program this Thursday will be conducted by Travis Olszewski and Seth Birch.

**Board Meeting on Friday, January 8** – The We-Go Board will hold its monthly meeting at 7:30 a.m. at the West Chester Senior Center this Friday.

**“Mitch” Michener Says Hello to We-Go** – On Monday your editor called Mitch and spoke to both Mitch and his wife, Dot. As you may or may not know Mitch has an affliction called “Lewy Body Dementia”. This illness is similar to Alzheimer’s and Parkinson’s but has some deviations so the medical community is attempting to research further into the symptoms experienced by Mitch. He goes through periods of good days followed by poor ones. He was in good spirits when I talked to him, and Dot said he had a good time with relatives during the holiday season. Mitch was a past president of We-Go and he had a distinguished career as an educator and school administrator. He is an excellent representative of the **Greatest Generation**; he is a hero of the Battle of the Bulge in WWII. We-Go wishes Mitch and Dot a very Happy 2010!

**A Reminder: Club Dues Are Due** – Those members who pay their club dues on a semi-annual basis have a January due date. Please send your payment to Treasurer Bob Thomas by January 31.

**We-Go Foundation Board Meets in a Teleconferencing Setting** – The Board discussed several matters regarding the distribution of funds to worthy recipients but no final results were determined. The major amount of time was spent on the Brendon Johnson project in Syria. Brendon is seeking funding to support himself and has sought assistance from We-Go. President Jeff has indicated that We-Go provide mentoring for Brendon but not provide Foundation funds at this time. Several members feel that the project is quite risky. This meeting was discussion only; this matter is likely to require full membership involvement at a later date. All Club members should read the emails of David Moldoff and Bob Thomas to gain an understanding of this issue.

**Wendell August Visit at Main Street in Exton** – The off-site visit to Wendell August on December 17 was attended by thirteen We-Go members and three spouses. This tour was arranged by Travis Olszewski and we thank him for arranging this visit. The firm produces decorative metal art objects that are available for sale at the site in Exton.
