The Newsletter of the Westtown-Goshen Rotary Club

August 20, 2008

Two Former We-Go Presidents Are Much Alive – Secretary Reese Davis has found that we made a mistake in the printed program for the 2008 President’s Dinner (and also in the program for the previous year’s dinner). We-Go President for the year 1981-82, Glenn Terrill is very much alive and well in New Bern, North Carolina. Glenn sends his greetings to the Club. Likewise, We-Go President for the year 1982-83, Dick Price is also very much alive in his new home in Loveland, Colorado, having recently moved there from California.

Corporate Sponsorships for Duck Race – There is a need for all members to seek corporate sponsors for our major fund raiser of the year. Please contact President Mark, Dave Moldoff, Ann Trevisan , or Jeff Brown for info on making contacts.

Drive for New Members – Mary Mosely, member of the Sunrise Club, is a member of the 7450 District Membership Committee. Mary wishes to make contact with our membership committee chair to assist with our efforts to recruit new members. Mary can be reached at maryamosely@verizon.net.

Vocational Scholarship Winner in 2007-2008 – Honored at dinner last Thursday was Amanda Feld, a recent graduate of Henderson High School. Amanda was accompanied by her mother, Maureen O’Hara of West Chester Borough. Amanda was chosen our \$3,000 scholarship winner among a pool of seven West Chester Area School District seniors. Amanda has a tremendous record of volunteer hours among the hospitals of our region. Amanda will attend the Delaware Community College pursuing a degree in nursing. Amanda’s goal is to become a pediatric nurse.

Ambassadorial Scholarship Winner Kristin Peck – Our featured speaker on last Thursday was Kristin Peck. Kristin was sponsored by We-Go to participate in the District 7450 Rotary International Ambassadorial Scholarship for 2009-2010. She is the third winner of this award sponsored by our Club. Kristen graduated from West Chester University in May of this year. She was very articulate in her remarks on Thursday. She is bilingual; she speaks fluently in Spanish. She has hopes to do her graduate studies in Mexico. She will pursue a Master’s degree in Social Work with a focus on Spanish-speaking individuals with developmental disabilities such as autism. Kristin has spent many volunteer hours with organizations assisting the Spanish-speaking members of the Chester County community. She is currently employed by an Hispanic organization in the Kennett region.

Think you have news that should be put in the weekly WEGO Newsletter?

Email it to:
bobb4isu@verizon.net

Prizes for the Duck Race – Let Larry Whitaker know what prizes you will secure for the October Duck Race. This is particularly important as we proceed towards the sale of duck certificates. Time is of the essence.

From the Humor Department...

Advice Please!

Dear Friends,

I have never written to you before like this, but I really need your advice. I have suspected for some time now that my wife has been cheating on me. The usual signs, phone rings but if I answer, the caller hangs up. My wife has been going out with “the girls” a lot recently although when I ask their names she always says, just some friends from work, you don’t know them.

I try to stay awake and look out for her when she comes home, but I usually fall asleep. Anyway, I have never broached the subject with my wife. I think deep down I just did not want to know the truth, but last night she went out again and I decided to finally check on her. Around midnight, I hid in the garage behind my golf clubs so I could get a good view of the whole street when she arrived home from a night out with “the girls”.

When she got out of the car she was buttoning her blouse, which was open, and she took her panties out of her purse and slipped them on. It was at that moment, crouching behind my golf clubs, that I noticed a hairline crack where the grip meets the graphite shaft on my 3-wood. Is this something I can fix myself or should I take it back to the pro-shop where I bought it?
