DUCK RACE !!! – The October Duck Race is just slightly over a month away. Dave Moldoff has sent each of us a message that we need sponsors and prizes. Please read his message and comply. Dave is offering his assistance; provide him with business cards as he suggested. We need everyone’s help if we are to have a successful fall fund raiser. Bring in those business cards at this Thursday’s meeting and give them to Dave. Evan Witmer has sent each of us an email message concerning prizes. Respond to his message and provide him with the information he is seeking. All of us must pitch in!

Doctors Without Borders – Past President Mark Rudiger received a thank you letter from Kim Daley of Doctors Without Borders. We-Go contributed monies to this independent, international medical humanitarian organization from our spring fund raiser. Doctors Without Borders provide aid regardless of race, politics, gender, or religion in more than 60 countries worldwide.

Rotary Foundation Annual Giving — Govinda Malya announced that We-Go was one of fifteen clubs within District 7450 that gave over \$100 per member in 2008-2009 Rotary Year. Twenty-two clubs in our District had per capita giving less than \$50 per member. We-Go Club gave a total of \$4,030.

Thursday’s Speaker – Our speaker on Thursday night will be Linda Kaat. She represents a group that wants to keep the Brandywine Battle historic site open during the budget crisis currently confronting the Pennsylvania legislature and the governor. We-Go thanks Jeff Brown for setting up this program.

Meeting of August 13 – President Jeff introduced Assistant Governor Gary Hess of District 7450. Gary is a member of the West Chester Rotary luncheon club that meets at the West Chester Country Club. He stressed the need for Rotarians to seek new members and retain them as members. AG Hess also reminded us that his club will have its annual Chili Cook-Off on Sunday, October 11 on Gay Street in West Chester. President Jeff provided the We-Go members with a treatise on God and quantum physics. Anyone interested in this serious academic exercise can see the editor for a copy of Jeff’s remarks.

Meeting of August 20 — President-Elect Leo Gibbons conducted this past Thursday's meeting. All those in attendance were informed of the death of President Jeff's father. Emails announcing memorial services locally were sent to We-Go members. Travis Olszewski introduced the speaker for the evening. His name is Dr. Bruno Contro, a chiropractor; his place of business is located in Frazer on Route 30. His talk focused on stress management and how to combat or relieve its effects. Stress can be mental/emotional, chemical or physical. One must first identify the stress then through proper exercise, proper rest, proper nutrition, and a proper functioning spine. Dr. Contro made a prize gift to our annual Duck Race.

Dues Are Past Due – Please contact treasurer Bob Thomas if you have not met your annual dues payment.

A Tiny Bit of Humor –

Q. What can a man do while his wife is going through menopause?

A. Keep busy. If you're handy with tools, you can finish the basement. When you are done you will have a place to stay.
