The Newsletter of the Westtown-Goshen Rotary Club

September 16, 2008

Proposed New Member – Seth Birch has proposed for membership in We-Go **Richard (Rick) Hynes**. A few weeks ago Rick spoke to our club about his involvement with adult day care services with Sarah Care of Great Valley. His home is in Greenville, Delaware. He was approved by the Board on September 12, and his classification would be Adult Health Services.

Road Cleanup Chair – Joe Cunnane has agreed to serve We-Go as chair of 926 road cleanup. A date will be established in early November to cleanup road debris. We thank Joe for volunteering for this special environmental activity.

Words From Tom Czulewicz – Lisa Balch received a brief note from Tom this summer. *Dear Lisa, The enclosed article concerning a Rotary Club Duck Race held here in the Charleston area reminded me of how much I miss all of the wonderful members of the We-Go Rotary Club. I hope all is well with you, your immediate family and the expanded Rotary Club family. I am enjoying my retirement in Summerville, S.C. We have been doing a lot of travelling. Since my son moved from Hockessin, DE to Redondo Beach, CA, we have made quite a few trips out West; including one 10-day drive with two of our grandchildren last August. Give my regards to all the folks at We-Go. God Bless and Godspeed.* Tom's address is 804 Long Drive Road, Summerville, SC 29485 and his e-mail is czulewicz@bellsouth.net.

Message From Moldoff – The Duck Teams will be maintained year round. Team leaders will cycle once a year. So, start thinking who will be next year's team captain starting July 1, 2009. We-Go members, we need additional kid friendly prizes: footballs, basketballs, bats, Barbie dolls, games, Disney stuff, etc. Check your e-mail for Dave's suggestions concerning sponsorships, the selling of duck tickets, and promoting this major club funding event.

October 4 is almost here!

Brendon Johnson Says Hello From Hong Kong – Brendon's university classes began the first week of September. He declared he is excited to begin his studies. He stated that Hong Kong is "absolutely gorgeous". The built environment of Hong Kong is almost like the urban environment of the United States. Brendon will be studying the economic system of China as it relates to foreign trade and investments, economic-based policies of rural and urban China, and environmental issues facing the Chinese.

Program on Thursday, September 11th – Our speaker was Michelle Gifford, wife of former We-Go member Dave Gifford. Michelle presented a slide program on Westtown Township's Oakbourne Mansion. She has been asked by the township supervisors to lead a committee to notify the public about the availability of the Mansion for rental use of the structure for meetings, arts and craft shows, etc. The first fall event is to occur on this November 6th and 7th.

Program on Thursday, September 18th – Representatives of the Interact Club will update We-Go members as to their current activities. We will also have with us our foreign exchange student, Philipp Allmaier from Austria.

Humor Department – Gone Fishing

Saturday morning I got up early, dressed quietly, made my lunch, grabbed the dog, slipped quietly into the garage to hook the boat up to the car, and proceeded to back out into a torrential downpour.

The wind was blowing at 50 mph. I pulled back into the garage, turned on the radio, and discovered that the weather would be bad throughout the day. I went back into the house, quietly undressed, and slipped back into bed.

There I cuddled up to my wife's back, now with a different anticipation, and whispered, "The weather out there is terrible."

My loving wife of 20 years replied, "can you believe my stupid husband is out fishing in that?"

I still don't know if she was joking.
