The Newsletter of the Westtown-Goshen Rotary Club

September 28, 2007

SPECIAL DUCK RACE EDITION...This edition of your WeGo newsletter is brought to you by WeGo Works. Dedicated to fostering the ideals of service above self and working to make our world a better place to live, WeGo Works consistently delivers on its promises of monetary support and sweat equity to meet the most demanding challenges in our local and world communities. WeGo Works, We Go Works for you, so you don't have to!

EIGHT DAYS TO GO UNTIL DUCK RACE...If you read the WEGO newsletter published on 27 August, we mentioned there were 41 days until the race. Our intention these past 33 days was to not bore you with a countdown. So when you saw "Eight Days to Go Until Duck Race" in the headline you would say "Holy cow, where has the time gone? I better get my butt in gear and sell some tickets!" If that was not your reaction to the headline, then suffice to say you've sold over a hundred tickets and rallied up several corporate sponsors. **NOT!** We're getting down to the wire folks. **SELL! SELL! SELL!**

Victor Orlando reports that he has only received a paltry 1,000 ticket stubs and the accompanying cash. This is dismal. We only need to sell 4,000 more! Victor means business when he says get your tickets sold, and the cash and stubs in to him, or your team captain, by next **THURSDAY OCTOBER 4TH**. Do not, he repeats, **DO NOT** even attempt to turn in tickets on Saturday morning or his cousin Vito will be visiting you. Of course we're kidding about cousin Vito, but you get the message. In case you forgot who your team captain is, here it is again:

TEAM HUEY: John O'Brien (Team Captain); Travis Olszewski; Jeff Brown; Leo Gibbons; Andrew Lill; Bill Hicks; Harshad Dodia; Pete Galantino.

TEAM DAISY: Dave Moldoff (Team Captain); Seth Birch; Ginni Ingram; Nick Gagliardi; Jeffrey Penfil; Ann Trevisan; Larry Whitaker; John Young.

TEAM DEWEY: Dr. Kenton Stokes (Team Captain); Bob Bielski; Joe Kahn; Stan Krangle; Jeff Toaltoan; Milt Stith; Charlie Scipione; Vic Orlando; Dixie Peters.

TEAM LOUIE: Ed Olsavicky (Team Captain); Bob Adams; Nick Christie; Keath Fetter; Ginni DiFronzo; Lou Karman; Joe Cunnane; John Spellman.

TEAM DONALD: Mark Rudiger (Team Captain); Tom Corcoran; Reese Davis; Govinda Malya; Bill Retallick, Vasy Theodorides; Bob Thomas; Doris J. Tyndal.

President Larry Whitaker reports our prize levels are up to speed just topping over our goal of \$10,000 in value. If you committed to supplying prizes, then you must seal the deal by this Thursday the 4th.

John O'Brien reports the logistics of picking up and dropping off our duck race supplies and equipment on race weekend has changed dramatically over previous years due to the Oakbourne Mansion being on the Chester County Day Tour. The pick up time will be on **Friday October 5th at 1:15 p.m.** We must be clear of the carriage house by 3 p.m. Of course, with several volunteers we can usually load up and be out of there in 30 minutes. We will not be allowed on the premises ALL DAY Saturday the 6th! We will return our equipment on **Sunday the 7th at 5:00 p.m.** Once again, we ask for volunteers to help expedite the unloading.

Dave Moldoff reminds everyone that **Thursday the 4th** is our annual final completion duck race planning meeting of all meetings to end meetings about the duck race. Please be there. This meeting is extremely important to sew up loose ends and assign jobs to people. This meeting pulls it all together and gets us motivated to pull off the greatest fund raising event in all of Chester County. Please plan to attend. **WE NEED YOU!**

FINALLY SOMETHING TO PONDER...I used to eat a lot of natural foods until I learned that most people die of natural causes.

Gardening Rule: When weeding, the best way to make sure you are removing a weed and not a valuable plant is to pull on it. If it comes out of the ground easily, it is a valuable plant.

The easiest way to find something lost around the house is to buy a replacement.

Never take life seriously. Nobody gets out alive anyway.

There are two kinds of pedestrians: the quick and the dead.

Life is sexually transmitted.

Health is merely the slowest possible rate at which one can die.

The only difference between a rut and a grave is the depth.

Some people are like Slinkies. Not really good for anything, but you still can't help but smile when you see one tumble down the stairs.
